

TabTimer 8-inch TALKING Digital Orientation Day Clock

8" TALKING Digital Calendar Day Clock Orientation Dementia Clock for Alzheimer's, Dementia, Memory & Cognitive Impairment. Helps people living with dementia by clearly displaying the time of day as morning, afternoon, evening or night. People with Alzheimer's or dementia can lose the ability to recognise time or day, causing challenges for them and their carers. Using this digital calendar orientation day clock can reduce those challenges.
