

## Aidacare Aspire Aura Floor Lifter

**aidacare**  
HEALTHCARE EQUIPMENT

Engineered for demanding care environments, the Aura Floor Lifter delivers unmatched quality, safety, and ease of use. Empowering solo carers to perform full-range patient transfers, including true floor-to-bed lifts with confidence. The Aura is competitively priced, with unique features to cater for the demands of a commercial healthcare environment.

- **Bonus Second TiMotion Battery & External Charging Cradle** supplied doubles the operational capacity and reduces lifter downtime
- **38kg Lightweight Aluminium Frame** - Supports a 250kg safe working load, even at maximum extension, a standout in its class
- **Smart Handset** - With battery levels and service status indicators, supports efficient product servicing
- **Curved Ergonomic Frame & Sling Bar** - Enhances reach and user headroom, ideal for transfers from king single beds or around bulky furniture in tight spaces
- **Emergency Lowering & Stop Functions** - Built-in safety for power or system failures
- **True Floor Lift Capability** - Safe, solo-carer lifts from the floor, essential in falls recovery and emergency care
- **Durable Leg Shrouds** - Protects components when going under beds, maintains a professional look and are easily replaceable
- **Powered Leg Opening & Twin Castors** - Effortlessly positions around wheelchairs and beds with smooth manoeuvrability and stability
- **Colour-Coded Sling Locks** - Patented Design enables quick visual checks for safer, more confident transfers
- **Integrated Weigh Scale** - Optional accessory supports efficient weight assessment
- **4 Point Sling Bar** - Optional accessory increases and precision stability for

Contract approved

**Compliance**

AS/NZS 10535:2024

bariatric users

- **Electric Pivot Frame** - Optional accessory enables smoother transfers via natural positioning and minimises user strain on joints
- **Broad Sling Compatibility** - Works with Aspire and most third-party slings
