

Aspire Elio Small Pull Apart Mobility Scooter

Contract approved

Smart, Strong and Exceptionally Portable

Experience the perfect blend of strength, comfort, and convenience with the Aspire Elio Small Scooter. Built for an active lifestyle, Elio's lightweight design, flexible battery options, and comfort features offer confident, independent mobility, perfect for shopping, social visits, or days out.

- **Light to Lift:** At just 10.8kg, the heaviest part is easy for carers to lift and fits neatly in most car boots or storage spaces.
- **Ultra-lightweight Aluminium Frame:** Easily disassembles into five compact parts for effortless transport and storage.
- **Additional Battery Options Available** Standard range battery up to 24km. Extended and airline-approved batteries also available (up to 35km).
- **Small Turning Circle:** Ideal for navigating through tight spaces such as hallways, lifts, or small shops without frequent repositioning or reversing.
- **Shock-absorbing Suspension:** 4-wheel independent suspension absorbs bumps from uneven surfaces for a smooth ride.
- **Intuitive Controls:** Navigate with confidence using an intuitive dashboard featuring an LED battery display, speed controls, and a horn.
- **Smooth Transfers, Ultimate Comfort:** Featuring a height-adjustable, swivelling padded seat, this scooter ensures easy side transfers every time.
- **Flexible Tiller Angle for Personalised Handling:** Quickly adjusts to your ideal position, delivering a smooth and comfortable driving experience.
- **Battery Type:** 1 x 24V 20Ah (Lithium)
- ***Product Weight Details**
 - Min Product Weight (excl. battery) 28.6 kg
 - Heaviest Part 10.8 kg
 - Battery Weight 3.2 kg
 - Total Weight 31.8 kg
