## Aspire Vogue Carbon Seat Walker

# Aspire Vogue Carbon Fibre Seat Walker

---

The Aspire Vogue Carbon Fibre Seat Walker is a 4 wheel, lightweight walker with a cross folding frame, making it light and easy to use, store, and transport. Its European, ergonomic design offers personalised height adjustment that promotes correct posture, and the small turning circle offers excellent manoeuvrability and stability in tight spaces.

Now available in 4 sizes – Short (Sapphire Blue frame), Medium (Black frame), Tall (Emerald Green frame), and HD. It has a mesh seat and supportive backrest, allowing the user to rest when out and about. A stylish zip-top utility bag secures up to 5kg and easily unclips for shopping.

One of the lightest seat walkers on the market, the Aspire Vogue Carbon Fibre Seat Walker, with a super lightweight carbon fibre frame, provides premium function and elegant styling, for a superior walking experience.

## FEATURES

---

### Super lightweight

- Carbon fibre frame to maximise portability

### Luxury look and feel

- Danish design, profiled tubing, moulded fittings, ergonomic handles and refined colours

### Ergonomic design

- Designed with a small turning circle for excellent manoeuvrability in tight spaces

## IDEAL USER CONDITIONS

The Aspire Carbon Fibre Seat Walker may assist those who require support with walking due to the following:

- Joint pain in the back, hips, knees, or feet due to arthritis, osteoporosis, or gout
- Back pain or spinal canal stenosis
- Reduced balance due to a neuromuscular condition such as:
  - Multiple Sclerosis
  - Parkinson's Disease
  - Motor Neurone Disease
  - Stroke
- Fatigue or need for frequent rest breaks
- Chronic Obstructive Pulmonary Disease and breathlessness

## CLIENT OUTCOMES

### Increased confidence and independence both inside and outside of the home:

- The lightweight, Aspire Vogue 4-wheel walker with its tight turning circle and good manoeuvrability, can support users to access areas they need to within their home
- The large wheels and lightweight frame make it easier to manage different floor surfaces and suitable outdoor terrain
- The enhanced stability and support provided to those with impaired mobility, can increase the user's confidence and feelings of safety to continue their daily activities

### Enhanced community access and social connection:

- The lightweight and easy folding frame makes the Aspire Vogue Carbon Fibre Seat Walker easy to lift into and out of a car, supporting access to the community and continued social engagement
- The seat and back support enable rest breaks when out and about, to assist pacing, energy conservation, and reduce pain and fatigue. This can increase confidence in going out as the user can be assured that they can rest when needed
